Wearing his clothes does nothing but humiliate me though.
..The blazer was optional, you know?
Say that earlier.
..Hey, isn't this..
That's right!
This is the school that Mi-zu-no goes to.
Jolt
..Mami?
Say, Hisame.

But you gave that up because you didn't want to be in the same school as Shigure either.
You really just wanted to go to the same middle school as Mizuno, didn't you?
.....
Haha.. How do you like that? Hisame.
This is truly..
The Mizuno Attack Tactic!!!
?
..That's right.
If I keep making moves about Mizuno, he should start to get upset!!
His weakness is the same as mine, we're both unintentionally bad at love..

That Mami was suppose to go to Jimoto Middle.
But for Shigure's sake she takes the train to this private school.. Stupid, right?
...Huh?
SO?
He's not getting upset at all...
ERR.. YOU'VE ALWAYS WANTED TO KNOW WHAT IT'S LIKE TO BE IN THE SAME SCHOOL AS MIZUNO, SO I'LL GIVE YOU A TASTE OF THAT!!!
But during summer vacation only clubs doing activites are allowed in, so make sure we won't be found!
.....

We're here! This is Mizuno's classroom!
And this is Mizuno's desk!!
How's that? You want to have class with her too.
Didn't you fantasize about that?
Hmph
No? I'm a year younger anyways, it's never crossed my mind.
.....

..it's hard to keep up..
I guess this plan was a bit to shallow in the end.
Hey.. Onee-san.
The place where you held hands with that Shigure, Where's it?

Hug Me too.

Hm?
Yeah.. But who cares about that now?
Is this where you guys hugged too?

None really. I just wondered how it felt when you did all this with Shigure.
What's the point of doing all this anyway ..?
Do you hate me this much?
You really don't like doing these with me?

Ha..
Hate you.

It's not love, but it's not hate either..
..Obviously I'm ticked off cause I can't!!
Rita

Ow..
Hmph, how do you like that? I did bite you so-ft-ly.
Sigh
That was real bad.

Why can't I..
Why can't I hate this guy..

I wonder..
We're safe..
Tap Tap Tap
Where'd they go?!
Well whatever. Let's head back.

Yukina.
NO, I MEANT-
What'd you do with Shigure here?
The infirmary huh..?
Hm
This is the place Shigure first called my name and..
Ahem

..So?
Hey, Onee -san. From now one..
I called you that for the first time too♪
.....

Just like this.
I'll re-write all your memories with Shigure.

I mean, you think of memories when you enter that class room right? Onee-san?
Re.. Write..?
"This is where we hugged for the first time, huh?"
"With Shigure, and with Hisame."
Stuff like that..

Y... You..
That's what this was for..?
Don't worry♪
If we do the same stuff you did with Shigure.
Then your love with me should soon-
IM-POSS-IBLE!!
IT'S TRUE THAT THIS ALL STAR-TED AS AN ACT!!
BUT IT HAS NOTHING TO DO WITH MY NOVEL ANY-MORE, MY LOVE WITH SHIGURE IS-
Even if Shigure was against your novel?

Huh..?
Don't you think this is what he would say if he knew about your novel?
"That novel you write with me as the model.."
"Don't write it anymore."

The story that I've always written..?
Can you still go out with Shigure then?
I would never be against it.
I could relate to it more than any -one else in this world.
Stop writing... My novel..?

Sure, but you needa quiet down.
Let's read!
[Gray and Gro] and [Narnia]
I've read these over and over so many times..!

♡Shiro's Note
I don't know what "グレとグロ" is but "押入れのアドベチャー" translates to closet adventure. Although referring to a different book, translated it as Narnia to make it more relatable to English readers.

I read it to Akira every night because he loved them...
And he even made me make up continuations of the stories.

The continuations kept on going.
Those were so interesting..

わたしに××しなさい！ 雪菜の人間観察日記

これまでのお話

☆雪菜は、ヒミツのケータイ小説家・ユピナとして大活躍中。ラブがかけないことが悩みで、読者のため恋愛を体験しようとします。ひろった生徒手帳から時雨の裏の顔を知った雪菜は、それをネタに彼をキョーハクします。「わたしのこと、好きになりなさい！」

☆手をつないだり、デートしたり、「ラブ・ミッション」をとおしてキョリが近づく2人。晶やマミ、氷雨の登場で五角関係になりますが、雪菜はとうとう自分の時雨への気持ちが「ラブ」だと気づきます。

☆いっぽうマミに告白した氷雨はフラれて絶望。そんななか、雪菜がケータイ小説家・ユピナだと気づき、自分のことを好きにならなければ正体を時雨にバラすと雪菜を脅します。

☆「小説を書くのが好き」と時雨に打ち明けた雪菜。時雨は応援すると言ってくれたものの、「ケータイ小説」は苦手だといいます。大好きなものを否定された雪菜は…!?

Ah
My bad, you like Yupina, don't you?
The one I read was by someone named Dolce.
Dolce's novel?
Yesterday, Hisame took my uniform you see.
That book was lying there when I went in his room so I gave it a quick read.
How should I put this... There's a lot of romance.
Blush...
I got kinda embarrassed reading it...

Ha ha
Well, I doubt you'll be able to write about love even if you do become a novelist.
SHOCKED
Thump...
I guess... You're right...
Ah... I'll be going home for today...
Thump...
DASH
SEE YA!!
Eh?
I'LL CALL YOU AGAIN!!
She ran away again...
.....

...Yawn...
But to get dad to approve of her and I,
There's no choice but to improve my grades.
Dang...
It's cause I studied till morning again...
We're actually in the middle of planning something special for the Last Battle!!
Kyaa!! I can't wait!!

My chest hurts...
Clench...
Love... Cellphone novels... To think that he's not good with them...
Huff... Huff...
DASH!
What should I do?
I want him to understand... But more importantly...
Welcome back Onee-san!!

WHA!? HISAME!? WHY ARE YOU IN FRONT OF MY HOUSE-
Onii-chan went out, so I had a hunch you two were meeting up!
So? Judging by your looks,
Did he really reject your novel?
IT'S NONE OF YOUR BUSI-NESS!!
Nope, it's not.
You're just my precious hostage after all...
Ugh...
Anyways, I went and bought this.

Instruction 3!
Let's read your novel together~
!?
Hmm, So this is the country sealed by ice, Icecaria.
WHAT!?
WHY...
H-hey, in the middle of the street...?
"The aurora is beautiful yet again." Princess Lilia traces the sky with her eyes.
Wait... Sto-
"LILIA-SAMA!"
STOP IT!!! GET IN MY HOUSE!!

Flop
AH! HEY!
Even I couldn't stand it when you read that out loud right in the middle of the road...
PANT PANT
Taking a closer look...
It really is different from a normal novel.
GEH...

第五章
1・摂氏0℃の涙
2・ヴァンパイアの掟
3・スロウ・ラヴァー
第六章
1・氷のココロ
2・戦いのさなか
3・平和調停・・・
第七章
1:君の隣で眠る
2・愛憎と裏切り
It's not that much different.
No?
Most of the format,
We've got short chapters and a script like structure.
It's jam packed with cheesy love.
GRIT.
TEETH
DON'T RIDICULE CELLPHONE NOVELS!!
WHAT WOULD SOMEONE LIKE YOU WHO JUST STARTED READING UNDER-STAND!?
This is wrong...

I was referring to the good points of cell-phone novels.
This is... Just because my novel was rejected by Shigure...
What are you talking about...? Onee-san.
Huh?

I get sleepy when I read normal novels anyway.
Over here, the story progresses with every word exchanged, the tempo's great.
It's easier for people who don't read novels too.
.....
Ah...
Rather than plain old, stiff novels.
I like these much better.
Sweats

Why... Why are the words I wanted to hear from Shigure...
...Why are they coming out of your mouth... Idiot...
Onee -san..?

Sob
Sob
It's bad because I wrote a love story..?
Are things I write embarrassing?
The words I wanted to hear Shigure say... Things like I like cellphone novels too...
Shigure...
GRABS
Bump...

You hold pride in the stories you write, Onee -san.

You have lots more readers, right?
Even if you're rejected by a single person,

T-That's...

How helpless you are...

It's the same as love,
You can't stop these feelings, right?
The same as love ..?

TV?
The following was a sug -gestion from Dolce -sensei,
You two will talk about your passionate feelings for your novels and we'll broadcast that...

After you confessed to me.
I got dumped by Yukina-chan.
Eh...
I realized after I was rejected that Yukina-chan was the only thing in my world.
She was the heart of my world and...
That just doesn't work out anymore so...

I thought that I've got to start making my own world now,
And this is the first step.
I was scouted only because you gave me an image change,
I wanted to tell you the news first too.

And you also supported me...

So this is the publisher's office...
